

WINTER 2017/2018

BINGO NEWSLETTER

AN EVENTFUL TIME OF THE YEAR!

December was a busy time for us here at Six Nations Bingo! We kicked off the month hosting our last three Toy Bingo's in support of local schools and then moved right into the holiday spirit with our 12 Late Nights of Christmas. This year we introduced the special bonus game which was played during late-night sessions and was only available to those who brought a non-perishable food donation. Starting December 12th, guests played for a \$1,000 bonus game each night until December 23rd when the special program concluded with a \$2,000 cash prize. Thanks to the turn out and contributions of our guests, the Six Nations Food Bank scheduled daily pick-ups of the overflowing food donations.

December ended with a grand celebration, our annual New Year's Eve Special Event, where over 750 guests played games featuring over \$30,000 in Cash Prizes and over \$8,000 in Door Prizes. With friends around you, a New Year's celebration always turns out more exciting and fun! A special thanks to everyone who attended for creating such a fantastic and memorable New Year's Eve!

NEW YEAR'S EVE RELATIONSHIP COORDINATOR'S PERSPECTIVE

"This was a very special day for me to come to work. The meal and the intermission games had to happen in a timely manner, the party favors had to be handed out, and the New Year's cheer also had to be on time. Was I stressed? No way! The Bingo Hall staff is amazing, and I knew that everything scheduled was going to be a big hit! Life is great as an event planner when you are blessed to work with hard working people that care about the results and have fun while doing it! My favorite part of this day was watching our customers and staff ring in the New Year of 2018 together. It was a moment of calm and peacefulness blanketed with smiles, happiness, and lots of hugs all around. We were together. This is one of the reasons I understand why our customers say, "This is MY Bingo Hall" as opposed to this is 'a' Bingo Hall. Gratitude, Love and Peace to ALL for a Happy 2018."

Andrea Curley, Relationship Coordinator

TIS' THE SEASON TO GIVE BACK TO THE COMMUNITY

The amazing and selfless staff of Six Nations Bingo decided to bring Christmas cheer to the Iroquois Lodge, a long-term care facility located on the Six Nations of the Grand River territory. The goal was to support the Lodge's vision which is to provide care that enhances the quality of life, dignity and autonomy of its residents, their families and its staff. Each staff member at Six Nations Bingo chose one resident to provide a gift to. A date was orchestrated by the Lodge Outreach program and Dawn Russel and guests picked up all of the gifts for the 50 residents of the Iroquois Lodge.
